Letter No.642/21-24, dated the 3rd March, 1932 from the Inspector of Schools, Coorg and Bangalore.

In the current year's Assigned Tract budget a sum of Rs.39,500/- is reserved under the head Account II - Education - D. Grants-in-Aid to local bodies for Primary Education (Five-year programme) for payment to the Municipal Commission.

The Inspector of Schools recommends the payment of this amount to the Municipal Commission for the following purposes:-

Item (1) Raising of the 3 primary schools to the Higher Elementary grade.	4391-8-0
Item (2) Maintenance of new Elementary Schools.	22188-8-0
Item (3) Lady Superintendent.	420-0-0
Item (4) Building Grant.	11600-0-0
Item (5) Repairs to Buildings.	400-0-0
Item (6) Leave salary.	500-0-0
	39500-0-0

Please see the detailed estimate for 1931-32 submitted to the Government of India with the Resident's letter No.7752, dated the 10th October 1930 in which provision for repairs to buildings was not included. Therefore item (5) Repairs to Buildings (Rs.400) cannot be sanctioned by the Resident. In a similar case the Resident declined to sanction grants for repairs - vide S.N.399/142-04.

S.N.124
83-26

If approved the rest of the items may be sanctioned.

The net recovery of Rs.909-9-7 suggested in paragraph 5 of p.u.c may be made from the above grant.

This note deals with only item x 2 (maintenance of schools opened under the 5 year programme) mentioned in the P.U.C. The other items have been separated and dealt with separately.

b

There is a provision of Rs. 31,100 in the current year's Assigned Tract budget for the maintenance of Schools opened under the 5 year programme. The Inspector recommends the payment of the following items of expenditure to the Commission during the current year:-

Encl. (A) to P.n.e.

1. Maintenance of higher elementary schools.....	Rs.	4,544-9-0
2. Maintenance of elementary schools for boys and girls.....	Rs.	24,405-3-5
3. Lady Superintendent-.....	Rs.	608-12-0
4. Equipment furniture and books...-.....	Rs.	775-0-0
5. Leave allowance -.....	Rs.	500-0-0
6. Manual training class to be opened at Puduparacheri and Latheefia	Rs.	700-0-0
Total		31,533-8-5

But the anticipated expenditure mentioned by the Inspector in the P.U.C. is Rs. 27,388-15-5. This is a mistake and is due to the fact that item 1 above was omitted in the Inspector's office when arriving at the total. The net total of the anticipated expenditure (excluding expenditure for repairs to buildings - item underlined in red in the enclosure to P.U.C. which is not recommended by the Inspector) is Rs. 31,533 -8-5 as shown in the table above. The provision available in the budget for

(A)

expenditure

expenditure for this purpose is only Rs. 31,100. The grant has therefore to be limited to this amount. This may be done by limiting the expenditure on manual training (item 6 in the table on previous page) to Rs. 266. In that case, the total grant will amount to Rs. 31,099-8-5 and this amount may be sanctioned as it is within the budget allotment. The question of surrender does not arise.

I
A draft sanctioning a grant of Rs. 31,099-8-5 is submitted for appl.

3

As regards the balance of Rs. 2,234-8-7 under ~~x~~ ' Capital Expenditure ' reserved for the construction of the Arab Lines Girls' School~~x~~, the President, Municipal Comm. may be asked whether the amount will be spent during the current year.

9 (A) In para. 4 of S.N. 5, the Inspector of Schools pointed out that there was a balance of Govt. grant, ~~xxx~~ namely, Rs. 2,234-8-7 with the Municipal Commission reserved for the construction of the Arab Lines Girls' School, ~~and that the amount~~ to be utilised before 31-3-33. The Inspector was, however doubtful whether his balance would be spent by the Commission during 1932-33. He therefore raised the question whether the amount should be retained with the Commission or deducted from the grant for the maintenance of ~~xxx~~ Schools under the 5 year programme. As the question whether the balance would be spent during 1932-33, was not free from doubt, the President Municipal Commission was asked about it. He replies that the expenditure is more than the unspent balance. This settles the matter and there is no question of retention or deduction of the amount. A copy of P.U.C. may be sent to the Inspector. Draft submitted.

S.N.11/83-26. (A)

In letter No. 203-I/26, dated the 4th March, 1927, the Government of India in the Foreign & Political Department sanctioned a five-year programme for the expansion of education in the Civil & Military Station of Bangalore and ordered that the expenditure should be met from the Central revenues.

The expenditure was accordingly met from Central revenues from the year 1927-28 to 1931-32.

10

S.N.5./83A-1926. dated 18-8-1931

In Sir Richard Burke's letter No. 5963/83A-1926, it was recommended that grants under the five-year programme might be continued on a permanent basis with effect from 1932-33.

S.N.10 (K) 11

The Governor General in Council has now decided that the following items of the five-year educational programme in the Civil and Military Station of Bangalore should be continued as a permanent measure and that the expenditure involved should be amalgamated with the ordinary educational expenditure in the Civil & Military Station with effect from the financial year 1932-33:-

	Rs.
1. Raising of 3 primary Municipal Schools to the Middle standard.	5,904.
2. Opening of 12 new Municipal elementary schools, six each for boys & girls.	26,312
3. Additional Teaching grants to aided schools.	8,000
4. Appointment of additional teachers for the Government Training School, Bangalore.	2,100
5. Appointment of a Lady Superintendent of Girls' Schools on Rs.45-3-75 and the grant to her of a conveyance allowance of Rs.15/- per mensem.	783
	43,099

This means the Assigned Tract revenues have to meet

this

this expenditure viz. Rs.43,099/- from the year 1932-33.

" 2. The Municipal Commission feel that they cannot find further money for educational purposes and request th the Government to continue, if not to enlarge, its grant in the future to permit of the further expansion of ----- primary education in the Station. It is not possible to meet the expenditure from the Assigned Tract Revenues".

In the P.U.C. the Government of India order that the expenditure involved should be amalgamated with the ordinary educational expenditure in the Civil and Military Station of Bangalore, with effect from the year 1932-33. This means that the expenditure should be met from Assigned Tract revenues. As the Government of India have not ----- stated this clearly, a reference may, if approved, be made to them as to whether the expenditure should be debited, to Mysore Assigned Tract revenues. The orders of the Government of India in the P.U.C finally dispose of the Resident's letter No.5963/83-A-1926 dated 18th August 1931 in which two requests were made, viz., (1) that grants for the 5 year programme should be continued as a permanent measure and (2) that they should be met from Central revenues.

The first request is definitely sanctioned, but there are no definite orders regarding the second. The orders do not say that the expenditure of 1932-33 (already met from Central funds) should be readjusted pro-forma, nor do they say that the provision already made in the budget for 1933-34 (to which reference is made in the orders) should be met from Mysore Assigned Tract and not

from Central. I am therefore inclined to think that the Government of India orders might reasonably be read to mean that the Resident's second request has also been sanctioned. But it would be safest to have the point cleared by a reference to the Government of India.

Please see S.N. 10 to 14 and the foregoing notes from para 1. The question is now settled that the expenditure on account of the ~~sanctioned~~ Five Year Programme for the expansion of education in the C.M Stn should be met from the Mysore Assigned Tract Revenues from 1932-33. This means that the Govt. of India have not sanctioned the proposal contained in para 2 of Sir Richard Burke's letter of August 1931. The expenditure has therefore been debited in the Pro-forma account of the Mysore Assigned Tract for 1932-33.

Sir,

I have the honour to invite your kind attention to the modified appropriation of Rs. 39,500/-, under the head "Account II - Education - D. Grants-in-Aid to non-Government Primary Schools - Grants-in-Aid to local bodies for Primary Education (Five Year Programme).

2. I enclose herewith a copy of a statement showing the actual expenditure on the schools opened under the Programme from 1st April to 30th September 1931 and the amount required for expenditure from 1st October 1931 to 31st March, 1932, furnished by the President, Municipal Commission, Bangalore. The recurring expenditure amounts to Rs. 27,900/- and the capital expenditure to Rs. 11,600/-.

3. A copy of a statement showing the grants paid to the Municipal Commission under "Capital expenditure" from 1927-28 to 1931-32 and the expenditure incurred by them is also enclosed. The grants already paid amount to Rs. 49,300/- and with the amount paid now (viz., Rs. 11,600/-) will total to Rs. 60,900/-. Out of this the Municipal Commission has already spent Rs. 58,665-6-5 and the President states that the balance of Rs. 2,234-9-7 will be spent before the end of the year, on the construction of a building for the Muhammadan Girls' school, Arab Lines. In these circumstances, I recommend that the Hon'ble the Resident may be pleased to sanction the transfer ~~the sanction~~

5

of a sum of Rs. 39,500/- to the Municipal Commission as a grant-in-Aid for the current year.

4. The following statement shows the grant paid to the Municipal Commission under the Five Year Programme for recurring expenditure during 1930-31, the amount spent and the balance remaining unspent with the Municipal Commission.

	Grant received in 1930-31.	Amount spent.	Balance.
Maintenance of the three Higher Elementary Schools.	Rs. 4,526-0-0	5,246-10-6	+720-10-6
Opening of new Elementary Schools.	" 22,240-0-0	20,538-14-11	-1701-1-1
Night schools. ---	" 525-0-0	495-13-0	-29-3-0
Lady Superintendent.	" 240-0-0	240-0-0	---
	" 27,531-0-0	26,521-6-5	-1009-9-7

It will be seen that there is a balance of -- Rs. 1009-9-7 which may be deducted when sanctioning the grant of Rs. 39,500/-.

5. While auditing the accounts of the year 1928-29, the Audit Officer, Bangalore, discovered that while paying the grant during 1929-30 a sum of Rs. 517/- was wrongly deducted being the unexpended balance for 1928-29 instead of Rs. 417/- the actual unexpended balance. On going through the connected papers, I find that the mistake was made in the Statement submitted by the Sub Assistant Inspector of Schools, Civil & Military Station, Bangalore, forwarded to you in this office No. 2574/3-26, dated 26.8.1929, (the total unspent recurring balance under item II ought to have been Rs. 89-7-1 instead of Rs. 189-7-1) and this error was apparently not discovered either in my office or in your office, when sanctioning the grant in your No. 8090, dated 24.9.1929. I think, therefore, the error may now be rectified by deducting Rs. 909-9-7 instead of Rs. 1009-9-7 being the unspent balance with the Municipal Commission pointed out in para 4 above,

Sir,

I have the honour to forward herewith a statement furnished by the President, Municipal Commission, Bangalore, showing the actual expenditure upto 31-12-1932 and the probable expenditure for the remaining three months in respect of the following items, grants for which are payable to the Municipal Commission during the current year together with a statement showing the actual expenditure during 1931-32 on account of the first three items, there being no expenditure under Medical Inspection of Municipal Schools during the period.

(1) Maintenance of Municipal Girls' Schools.

(2) Maintenance of Schools opened under the 5 year programme.

(3) Maintenance of the Yates Gardening School.

(4) Medical Inspection of Municipal Schools.

(1) MAINTENANCE OF MUNICIPAL GIRLS' SCHOOLS.

Dealt with separately

2. From the statement furnished by the President, the Commission anticipate an expenditure during the current year of Rs.15,331-12-9 on the maintenance of 6 Girls' Schools. The details given, however, show that an amount of Rs.300/- incurred towards the cost of equipment and a sum of Rs.200/-spent towards the cost of repairs to buildings have been included. In view

13

of the orders passed in your letter No.4102, dated 19-5-1930, I propose that the expenditure on these two items be disallowed. The actual expenditure on account of these schools during 1931-32, is stated to be Rs.15005-3-0, out of which a sum of Rs.242-8-0 being the expenditure on equipment and repairs to buildings must be deducted. This leaves a balance of Rs.14,762-11-0. The amount sanctioned last year in Proceedings No.2146, dated 22-3-1932 being Rs.14,653-7-0, the Commission appear to have incurred an expenditure of Rs.109-4-0 over and above the grant sanctioned. I, therefore, propose that, if the Hon'ble the Resident has no objection, an amount of Rs.14,831-12-9 + Rs.109-4-0 = Rs.14,941-0-9 may be sanctioned for payment during the current year. The allotment under the head "Account II-Education D-Grants-in-Aid to Non-Government Primary Schools-Grants-in-Aid to Local Bodies for Primary Education-Maintenance of Municipal Girls' Schools" is Rs.14,900/- . The excess of Rs.41-0-9 may be met from the allotment of Rs.44,400/- under "Grant-in-Aid to Primary Schools" out of which a sum of Rs.400/- has been reserved for the payments of grants to the Municipal Commission towards the Medical Inspection of Municipal Schools but which has not been fully utilised for this purpose.

(2) ~~GRANT-IN-AID TO LOCAL BODIES FOR PRIMARY EDUCATION~~ Maintenance of Schools under the 5 Year Programme.

3. The statement furnished shows an anticipated expenditure of Rs.27,388-15-5 during the current year, out of which must be deducted the expenditure of Rs.400/- shown as repairs to buildings, which leaves a balance of Rs.26,988-15-5 to be paid to the Commission. But the actual recurring expenditure during 1931-32 being Rs.27288-1-3, and the Commission having been paid a grant of Rs.27,500/- in the Proceedings No.2102, dated 21-3-1932 of the Hon'ble the Resident in Mysore, the Commission is liable to refund a sum of Rs.211-14-9. I, therefore, recommend that a sum of Rs.26,988-15-5 minus Rs.211-14-9 = Rs.26,777-0-8 be paid.

4. As I have pointed out in my letter No.642/21-24, dated 3-3-1932 an amount of Rs.60,900/- has been paid to the Commission under "Capital Expenditure". The expenditure on this account up to

114

3-3-1932 was Rs.58,665-6-5 and it was stated that the balance of Rs.2,234-8-7 reserved for the construction of the Arab Lines Girls' School would be utilised before the close of this year (i.e. before 31-3-1932). But this sum does not appear to have been spent yet according to the President's remarks in the statement furnished. He states however, that the building is expected to be completed by the end of the current year. It is for consideration whether the sum of Rs.2,234-9-7 may be allowed to be retained by the Commission. Otherwise the amount may be deducted from the grant of Rs.26,777-0-8 to be paid to the Commission. The expenditure will be debited to the allotment under the head "Account II-Education D.Grant-in-Aid to Non-Government Primary Schools - Grant-in-Aid to Local Bodies for Primary Education" in the current year's budget. The allotment under the head being Rs.31,100/- the balance may be surrendered to Government.

(3) YATES GARDENING SCHOOL.

5. The President, Municipal Commission, anticipates an expenditure of Rs.4334-4-2 during the current year. In the Proceedings of the Hon'ble the Resident in Mysore, No.2126, dated 21-3-1932, a grant of Rs.4204-4-2 was sanctioned to the Municipal Commission for the year 1931-32. The actual -- expenditure incurred by the Commission being Rs.4037-7-3, the balance of Rs.166-12-11 with the Commission should be deducted from the grant to be paid now. I, therefore, propose that the Hon'ble the Resident may be pleased to sanction a grant of Rs.4,334-4-2 — Rs.166-12-11 = Rs.4,167-7-3 to be paid to the Municipal Commission during the current year as Grant-in-Aid. The expenditure will be debited to the allotment under the head "Account II-Education-F-Grants-in-Aid to Non-Government Special Schools - Grants-in-Aid to local bodies for special education - grants to Municipal Commission-in the current year's Assigned Tract Budget.

(4) MEDICAL INSPECTION OF MUNICIPAL SCHOOLS.

6. The President anticipates an expenditure on this item of Rs.217-14-3 which I recommend may be paid. No grant was paid to the Commission on this account last year. The expenditure will be --

15

debited to the allotment under the head "Account II-Education-D-Grants-in-Aid to Non-Government Primary Schools - Grants-in-Aid to Primary Schools" in the current year's Mysore Assigned Tract Budget.

I have the honour to be,

Sir,

should be amalgamated with the ordinary educational expenditure in ~~that area~~ those areas with effect from the financial year 1932-33. The figures set out in the statement represent the ultimate average recurring expenditure involved and do not allow for the deduction of the emergency cut in pay or the ten per cent reduction in recurring grants for secondary and special education. Both these cuts were in force in 1932-33 and will continue during the financial year 1933-34.

The following provisions have already been made in the relevant budgets for expenditure during the financial year 1933-34, and I am to request that the amounts not required (vide column 5 below) may kindly be surrendered to the Government of India in due course.

To the AGG., States of Western India only.

As regards the Western India States Agency it is understood that out of the total provision of Rs. 8,990/ approved only a sum of Rs. 2,500/- is required for the Talukdari Girassia School, Wadhwan Civil Station, as a result of the retrenchments recently effected in educational expenditure.
